Leigh Park

Victorian walled garden

The unique walled garden produces some of the organic fruit, vegetables and herbs used in the Hotel. The Hotel's gardener works hand in hand with the head chef in order to supply a variety of fresh produce, which is gathered on a daily basis, when in season, and offered on our menus.

MARQUEE: We are able to organise a marquee on the lawns at Leigh Park if this is something you would like to consider. We have an association with a local company who can provide excellent facilities. Quotes available upon request.
